## **California Dreaming**

## **Franz Lambert**

All the leaves are brown and the sky is gray I've been for a walk on a winter's day

I'd be safe and warm if I was in L.A.

California dreaming on such a winter's dayStopped in to a church, I passed along the way Well, I got down on my knees and I pretend to pray

You know the preacher likes the cold

He knows I'm gonna stay

California dreaming on such a winter's dayAll the leaves are brown and the sky is gray I've been for a walk on a winter's day, yeah

I'd be safe and warm if I was in L.A.

California dreaming on such a winter's dayCalifornia dreaming on such a winter's day

California dreaming on such a winter's day

California dreaming on such a winter's day

California dreaming on such a winter's dayCalifornia dreaming on such a winter's day

California dreaming on such a winter's day

California dreaming on such a winter's day

California dreaming on such a winter's day

California
