

I Wish You Would (Voice Memo)

Taylor Swift

It's 2 A.M. in your car
Windows down, I pass my street
The memories start You say it's in the past
And drive straight ahead
You think I'm gonna hate you now
'Cause you still don't know what I never said I wish you would come back
Wish I'd never hung up the phone like I did
I wish you knew that
I'd never forget you as long as I'd live And I wish you were right here, right now
It's all good
I wish you would It's 2 A.M. in my room
Headlights pass the window pane
I think of you We were a crooked love
In a straight line down
Makes you wanna run and hide
But it makes you turn right back around I wish you would come back
Wish I'd never hung up the phone like I did
I wish you knew that
I'd never forget you as long as I'd live And I wish you were right here, right now
It's all good
I wish you would I wish we could go back
And remember what we were fighting for
Wish you knew that
I miss you too much to be mad anymore And I wish you were right here, right now
It's all good
I wish you would I I I, I I I wish, I wish, I
I I I, I I I wish, I wish, I
I I I, I I I wish, I wish, I You always knew how to push my buttons (I I I, I I I wish, I wish, I)
You give me everything and nothing (I I I, I I I wish, I wish, I)
This mad, mad love makes you come rushing (I I I, I I I wish, I wish, I)
Stay back where you stood (I I I, I I I wish, I wish, I)
I wish you would, I wish you would (I I I, I I I wish, I wish, I) I wish you would, I wish you would (I I I, I I I
wish, I wish, I)
I wish you would, I wish you would (I I I, I I I wish, I wish, I) 2 A.M., here we are
See your face
Hear my voice in the dark We were a crooked love
In a straight line down
Makes you wanna run and hide
But it made us turn right back around I wish you would come back

Wish I'd never hung up the phone like I did
I wish you knew that
I'd never forget you as long as I'd live And I wish you were right here, right now
It's all good
I wish you would I wish you would come back
Wish I'd never hung up the phone like I did
I wish you knew that
I'd never forget you as long as I'd live And I wish you were right here, right now
It's all good
I wish you would I wish we could go back
And remember what we were fighting for
Wish you knew that
I miss you too much to be mad anymore And I wish you were right here, right now
It's all good
I wish you would You always knew how to push my buttons (I I I I, I I I wish, I wish, I)
You give me everything and nothing (I I I I, I I I wish, I wish, I)
This mad, mad love makes you come rushing (I I I I, I I I wish, I wish, I)
Stand back where you stood (I I I I, I I I wish, I wish, I)
I wish you would, I wish you would (I I I I, I I I wish, I wish, I) I wish you would, I wish you would (I I I I, I I I
wish, I wish, I)
I wish you would, I wish you would
I wish you would, I wish you would (I I I I, I I I wish, I wish, I)
I wish you would, I wish you would I I I I, I I I wish, I wish, I
I I I I, I I I wish, I wish, I (I wish you would)
