## Heaven

## **Talking Heads**

Everyone is trying to get to the bar The name of the bar, the bar is called Heaven The band in Heaven that plays my favorite song

Play it once again, play it all night longHeaven, Heaven is a place, place where nothing, nothing ever happens Heaven, Heaven is a place, place where nothing, nothing ever happens There is a party, everyone is there

Everyone will leave at exactly the same time It's hard to imagine that nothing at all

Could be so exciting, could be so much funHeaven, Heaven is a place, place where nothing, nothing ever happens

Heaven, Heaven is a place, a place where nothing, nothing ever happensWhen this kiss is over, it will start again It will not be any different, it will be exactly the same

It's hard to imagine that nothing at all

Could be so exciting, could be this much funHeaven is a place, a place where nothing, nothing ever happens Heaven, Heaven is a place, a place where nothing, nothing ever happens
