Don't You Know

Kungs

I
I
II'm gonna rock your body
Take it down slow
Gonna rock your body
Don'ts they know?I'm gonna rock your body
Take it down slow
Gonna rock your body
Don't you know?Don't you know?Big city, beautiful sky
The only thing I want is to survive
Soft sand, flickering light
Your beating, breathing out keep me from dyingI'm gonna rock your body
Take it down slow
Gonna rock your body
Don'ts they know?I'm gonna rock your body
Take it down slow
Gonna rock your body
Don't you know?Big city, beautiful night
The only thing I want is a taste of your heartWherever I go, it's gonna be all right
There's nothing in the world that can keep me from flyingI'm gonna rock your body
Take it down slow
Gonna rock your body
Don'ts they know?I
Don'ts they know?
II'm gonna rock your body
Take it down slow
Gonna rock your body
Don'ts they know?I'm gonna rock your body
Take it down slow
Gonna rock your body
Don't you know?Rock your body, rock your body
Rock your body
Don'ts they know?
I'm gonna rock your body, rock your body
Rock your body
Don't you know?
