

# Perfect Combination

## Stacy Lattisaw & Johnny Gill

Two hearts together, we are a harmony so right  
Two sparks united, we are a fire burning bright

For that you are always brand new

Right from the jump we had a hunch

That we had everythingPerfect combination

Lovers you and me

A perfect combination

We couldn't ask for any betterPerfect combination

We fit to a tee

A perfect combination

We know what takes to last forever, together

So deep inside we share a feeling that's so rare

So sweet just knowing that we are a special pair

We are right on time, we are two of a kind

And heaven knows this love will grow

Stronger every dayPerfect combination

Lovers you and me

Perfect combination

We couldn't ask for any betterPerfect combination

We fit to a tee

A perfect combination

We know what takes to last forever togetherWe can conquer any mountain (Oh, baby)

Just as long as we are together (Oh... oh...)

Cause as one we are an endless fountain

Overflowing with love (Hey, hey)

Perfect love (Hey... hey... hey... hey...)

Perfect combination (Ooh, baby, hey...)

Lovers you and me (Oh... oh... oh...)

A perfect combination (Hey...)

We couldn't ask for any better (Oh... oh... oh...), oh, noPerfect combination

We fit to a tee

A perfect combination

We know what takes to last forever, oh... oh...Perfect combination (Perfect, perfect, yeah... combination)

Lovers you and me (Lovers you and me, yeah)

A perfect combination
