

# St. Swithin's Day

## Dubstar

Thinking back now  
I suppose you were just stating your views  
What was it all for?  
For the weather or the battle of Agincourt  
And the times that we all hoped would last  
Like a train they have gone by so fast  
And though we stood together  
By the edge of the platform  
We were not moved by them  
With my own hands  
When I make love to your memory  
It's not the same  
I miss the thunder  
I miss the rain  
And the fact that you don't understand  
Casts a shadow over this land  
But the sun still shines  
From behind it  
Thanks all the same  
But I cannot bring myself to answer your letter  
It's not your fault  
But your honesty touches me like a fire  
The polaroids that keep us together  
Will surely fade away  
Like the love that we spoke of forever  
On St. Swithin's Day
