

# God Must Have Spent A Little More Time On You

Kirk Whalum

Yeah...  
Oh yes  
Ohhh.yeah.  
Can this be true?  
Tell me, can this be real?  
How can I put into words what I feel?  
My life was complete  
I thought I was whole  
Why do I feel like I'm losing control?  
I never thought that love could feel like this  
and you've changed my world with just one kiss.  
How can it be that right here with me  
there's an angel?  
It's a miracle...  
Your love is like a river  
Peaceful and deep  
Your soul is like a secret  
That I never could keep  
When I look into your eyes  
I know that it's true  
God must have spent...  
A little more time  
On you...  
(A little more time, yes he did baby)  
In all of creation  
All things great and small  
You are the one that surpasses them all  
More precious than  
Any diamond or pearl  
They broke the mold  
When you came in this world  
And I'm trying hard to figure out  
Just how I ever did without  
The warmth of your smile  
The heart of a child  
That's deep inside  
Leaves me purified  
Your love is like a river  
Peaceful and deep (and deep)  
Your soul is like a secret

That I never could keep  
When I look into your eyes  
I know that it's true  
God must have spent...  
A little more time  
On you...

(on you, on you, on you, you... on you, on you, on you, you.) ohhh...  
(on you, on you, on you, you... on you, on you, on you, you.) yeah...Never thought that love could feel like this  
and you changed my world with just one kiss.

How can it be that right here with me  
There's an angel?  
It's a miracle...Your love is like a river  
Peaceful and deep (peaceful and deep)  
Your soul is like a secret  
That I never could keep  
When I look into your eyes  
I know that it's true  
God must have spent...  
A little more time  
On you...

(on you, on you, on you, you.)  
God must have spent...  
A little more time  
on you

(on you, on you.you... you.oooh.yeah)  
A little more time  
on you... ohhh
