Very Busy People (Nicky Chuck Remix)

The Limousines

We'll end up numb from playing video games
We'll get sick of having sex
And we'll get fat from eating candy
As we drink ourselves to deathWe'll stay up late making mix tapes
And photoshopping pictures of ourselves
As we masturbate to those pixelated videos
Of strangers fuckin themselvesWe are very busy people
We are very busy peopleThere are crusty sox and boxes making trails straight to the bed
And when we're done sleeping
We'll stay busy dreaming of the things we don't have yetWell there's a long long list of chores and shit
To do before we play
Let's just piss away the day
Crank-call the cops down at the station
Just for friends conversation
Requesting songs they never playLets hear the on that goes:
We are very busy people
We are very busy people
But we always got time for new friendsSo come over and knock on our door
It's open, what you waitin for?
We might be sprawled out on the floor
But we still make lovely company
Pull up a chair
Ill pour some tea
We'll shoot the shit 'bout everything
Till you get tired and flip on the TV screen
We stare at the TV screenThat Danny Darko DVD has been repeating for a week
We know every single word
I've got an iPod like a pirate ship
I'll sail the seas with fifty thousand songs I've never heardAll the best of them go
Fa-la-la-la-la-laWe are very busy people
We are very busy people
But we've always got time for new friendsFa-la-la-la-la-la
