

# Past the Point of Rescue

**Hal Ketchum**

Last night I dreamed you were back again  
Larger than life again, holding me tight again  
Placing those same kisses on my brow  
Sweeter than ever now, lord I remember how  
Couldn't get enough of kissing, do you know how much you're missing  
No you don't, but I doThe days like a slow train trickle by  
And even the words that I write refuse to fly  
All I can hear is your voice haunting me  
Can't get the melody out of my head, you see  
Distractions are amusing, do you know how much you're losing  
No you don't, but I doBut I do, and I wonder if I'm past the point of rescue  
Is no word from you at all the best that you can do  
I never meant to push or shove you, do you know how much I love you  
No you don't, but I doI swore I'd never fall like this again  
Fools like me never win, came to my knees again  
Can't close the door on likely hood  
Things might be just as good, I always believed they would  
Gotta let your love invite me, baby do you think it might be  
No you don't, but I doBut I do, and I wonder if I'm past the point of rescue  
Is no word from you at all the best that you can do  
I never meant to push or shove you, do you know how much I love you  
No you don't, but I doBut I do, and I wonder if I'm past the point of rescue  
Is no word from you at all the best that you can do  
I never meant to push or shove you, do you know how much I love you  
No you don't, but I do  
I know you don't, but I do  
I know you don't, but I do
