

Can I Sleep In Your Arms

[Willie Nelson](#)

Can I sleep in your arms tonight, lady
It's so cold lying here all alone
And I have no hold to hold on you
And I assure you I'll do you no wrong Don't know why but the one I love left me
Left me lonely and cold and so weak
And I need someone's arms to hold me
Till I'm strong enough to get back on my feet Can I sleep in your arms tonight, lady
It's so cold lying here all alone
And I have no hold to hold on you
And I assure you I'll do you no wrong Can I sleep in your arms tonight lady
It's so cold lying here all alone
And I have no hold to hold on you
And I assure you I'll do you no wrong
