Listen to the Lion

Van Morrison

And all my love come down
All my love come tumblin' down
All my love come tumblin' down
All my love come tumblin' down
Oh, listen listen
To the lion
Oh, listen listen listen
To the lion
Inside of me
Oh, oh, ohAnd I shall search my soul
I shall search my very soul
And I shall search my very soul
I shall search my very soulFor the lion
For the lion
For the lion
For the lion
Inside of me
Oh, oh, yeahAnd all my tears have flown
All my tears like water flown
And all my tears like water flown
All my tears like a water flownFor the lion
For the lion
For the lion
For the lion
Inside of meListen to the lion
Listen to the lion
Listen to the lion
Listen to the lion
Listen to the lion
Listen to the lion
Listen to the lion
Listen to the lion
Listen to the lion
Listen to the lion
Listen to the lion
Listen to the lion
Listen to the lion
Listen to the lion
Listen to the lionAnd we sailed, and we sailed
And we sailed, and we sailed

And we sailed, and we sailed
sailed to CaledoniaAnd we sailed, and we sailed
And we sailed, and we sailed, and we sailed
Away from Denmark
Way up to Caledonia
Away from Denmark
Way up to CaledoniaAnd we sailed, and we sailed, and we sailed
All around the world
And we sailed, and we sailed, and we sailed
Looking for a brand new startAnd we sailed
And we sailed, and we sailed
All around the world, a brand new startLooking for a brand new start
Looking for a brand new start
Looking for a brand new startAnd we sailed, and we sailed, and we sailed
And we sailed
Away from the Golden Gate
Way up to the New York City
