The Banshee

Enforcer

The night has come
Descending now
Day fades away
Ungodly shadows embrace the lightYour presence now
Destroys me
But I can't let you go
A cry from the abyss another has to dieBanshee's call!
She is the devil's child
Your hypnotizing fall
Evil rise above us allA deadly strike
Darkened charm
A warning of doom
Now I know the time has come to meet my fate
Your magic
Enchants me
Reaper of the dark
Quench my desires come and swing your scytheBanshee's call!
She is the devil's child
Your hypnotizing fall
Evil rise above us allYour burning fire
Is growing on
Upon me tonight
I'm on my knees now come and cast your spellA demon
A hellspawn
Satan's cold eyes
Messenger of evil, executioner of the night
Banshee's call!
She is the devil's child
Your hypnotizing fall
Evil rise above us all
