

# I Could Write a Book

Betty Carter

If they ask me, I could write a book  
About the way you walk and whisper and look  
I could write a preface on how we met  
So the world would never forget

And the simple secret of the plot  
Is just to tell them that I love you, a lot  
Then the world discovers as my book ends  
How to make two lovers of friends

If they ask me, I could write a book  
About the way you walk and whisper and look  
I could write a preface on how we met  
So the world would never forget, never, never forget

And the simple secret of the plot  
Is just to tell them that I love you, allot  
Then the world discovers as my book ends  
How to make two lovers of friends
