

Fortune Faded (Live @ Las Vegas Centenary, 2005)

Red Hot Chili Peppers

They say in chess, you gotta kill the queen
And then you mate it
Oh I, do you?
A funny thing, the king who gets himself assassinated
Hey now, every time i lose
Altitude You took a town by storm
The mess you made was nominated
Oh I, do you?
Now put away your welcome, soon you'll find you've overstayed it
Hey now, every time I lose
Altitude [Chorus]
So divine, hell of an elevator
All the while my fortune faded
Nevermind the consequences of the crime this time
My fortune faded The medicated state of mind you find is overrated
Oh I, do you?
You saw it all come down and now it's time to imitate it
Hey now, every time I lose altitude [Chorus] Come on God, do I seem bulletproof?
Ooooooooooooooh [Chorus: x2]
