Pulses

Secret Knives

I wanna make your heart beat
I love it when it beats for me, yeah
I wanna make your heart beat
I love it when it beats for me, yeahI wanna raise pulses
La chica with the most-est
Not in the mood for the average Josephs
Coming unglued, baby this is explosive
I wanna raise pulsesI'm coming for your rhythm, I'm here to wake you up
I wanna be your hero, I wanna shake the fluff
I be on that beating in your chest
Check a stethoscope run a few tests
Something you can measure doesn't make it better
Feeling weighed down did you lose your go-getterYou got a heart that's born with a beat
What's that now, you forget how to breathe?
I wanna get that thing runnin'I wanna make your heart beat
I love it when it beats for me, yeah
I wanna make your heart beat
I love it when it beats for me, yeahOh I'mma make sure that you feel alive
I'mma make sure that you feel alive
I'mma make sure, I'mma make sure
I'mma make sure that you feel aliveI wanna raise pulses
La chica with the most-est
Not in the mood for the average Josephs
Coming unglued, baby this is explosive
I wanna raise pulsesThey run you through the system, they blowing you the smoke
They try to suffocate, but think before you choke
You control the beating in your chest
You resuscitate now, cardiac arrest
World you can have it, take a couple planets
Trade up your half for the whole pomegranateYou got a heart that's born with a beat
What's that now, you forget how to breathe?
I wanna get the thing runnin'I wanna make your heart beat
I love it when it beats for me, yeah
I wanna make your heart beat
I love it when it beats for me, yeahOh I'mma make sure that you feel alive
I'mma make sure that you feel alive
I'mma make sure, I'mma make sure
I'mma make sure that you feel aliveI wanna raise pulses
La chica with the most-est

Not in the mood for the average Josephs
Coming unglued, baby this is explosive
I wanna raise pulsesI'mma make sure that you feel alive
I'mma make sure that you feel alive
I'mma make sure, I'mma make sure
I'mma make sure that you feel aliveI wanna raise pulses
La chica with the most-est
Not in the mood for the average Josephs
Coming unglued, baby this is explosive, explosive
I wanna raise pulsesLa chica with the most-est
Not in the mood for the average Josephs
Coming unglued, baby this is explosive
