One More Time

Real McCoy

One more timeOne more time, let's do it again
Show no shame, just call my name
One more time, again and again
Don't you want to play my game?Twenty four-seven
I will make you feel like heaven
I'll spin you gound and gound

I'll spin you round and round I'll put a spell on you baby

I will make you come and play me

I'm gonna make you mine

Let's do it one more timeYou spin me round and round and

Turn me upside down

You put a spell on me and

Hit me to the feelin'One more time, let's do it again

Show no shame, just call my name

One more time, again and again

Don't you want to play my game? Play me, play me baby

Play me, show me what you got

Come play me, play me baby

Play me, don't stop don't stop Do it, just do it, let's do it

Again and again

Keep it goin' on, show no shame

Come and play the game

How did I know that

I would do this to you?

Now that I've made you mine

Let's do it one more timeYou spin me round and round and

Turn me upside down

You put a spell on me and

Hit me to the feelin'One more time, let's do it again

Show no shame, just call my name

One more time, again and again

Don't you want to play my game? One more time, let's do it again

Show no shame, just call my name

One more time, again and again

Don't you want to play my game?Play me, play me baby

Play me, show me what you got

Come play me, play me baby

Play me, don't stop don't stop You spin me round and round and

Turn me upside down
You put a spell on me and
Hit me to the feelin'One more time, let's do it again
Show no shame, just call my name
One more time, again and again
Don't you want to play my game?One more time, let's do it again
Show no shame, just call my name
One more time, again and again
Don't you want to play my game?Play me, play me baby
Play me, show me what you got
Come play me, play me baby
Play me, don't stop don't stopDo it just do it
Do it just do it
