## Pink Floyd (p)

Alone in the clouds all blue  
Lying on an eiderdown  
Yippee  
You can't see me  
But I can youLazing in the foggy dew  
Sitting on a unicorn  
No fair, you can't hear me  
But I can youWatching buttercups cup the light  
Sleeping on a dandelion  
Too much, I won't touch you  
But then I mightScreaming through the starlit sky  
Travelling by telephone  
Hey ho, here we go  
Ever so highAlone in the clouds all blue  
Lying on an eiderdown  
Yippee  
You can't see me  
But I can you
