

I'll Do It

Heidi Montag

I'll be your blond tonight
If that's what you like
Stiletto's and fish nets
If that's what you like
I'll be your hot nurse
School girl in curls
Whatever your type
Baby, if that's what you like
I'll do it
Pick me, Take me
I ***** to get attention
I brought some treats
I know that you gonna love 'em
Come eat my panties off of me
Do whatever you feel comes naturally
Cause I wanna let my hair down
Is that alright?
Is that okay? Eh eh
Cause I wanna let my hair down
Is that alright?
Is that okay Eh eh
I'll be your blond tonight
If that's what you like
Stiletto's and fish nets
If that's what you like
I'll be your hot nurse
School girl in curls
Whatever your type
Baby, if that's what you like
I'll do it
I'll do it
I'll do it
I I I I I I'll do it
I I I I I Bitch I'll do this
I hope you're ready
For what I'm 'bout to do
Just close your eyes
Open up when I tell you
Look now, don't touch it

Im gonna start without you
Let me up
Just get the key
In my ignition, baby
Cause I wanna let my hair down
Is that alright?
Is that okay? Eh eh

Cause I wanna let my hair down
Is that alright?
Is that okay Eh eh
I'll be your blond tonight
If that's what you like
Stiletto's and fish nets
If that's what you like
I'll be your hot nurse
School girl in curls
Whatever your type
Baby, if that's what you like

I'll do it
I'll do it
I'll do it
I I I I I I'll do it
I I I I I Bitch I'll do this
I can be your type
You can believe the hype
Just push my buttons baby
I'll go low and you'll go high
You can be my pilot
Let me mile-high it
Ill thrust it up and make it happen
Then you better fly
I'll be your blond tonight
If that's what you like
Stiletto's and fish nets
If that's what you like
I'll be your hot nurse
School girl in curls
Whatever your type
Baby, if that's what you like
I'll be your blond tonight
If that's what you like
Stiletto's and fish nets
If that's what you like
I'll be your hot nurse

School girl in curls
Whatever your type
Baby, if that's what you like
I'll do it
I'll do it
I'll do it
I I I I I I'll do it
I I I I I Bitch I'll do this
