

Sexual Suicide (Unreleased)

Prince

Baby, you take a walk
Take a walk and leave me behind
Baby, you gonna walk, yeah
Gonna walk right out of your mind
You better have to feet
We got no reason, reason to lie
Baby, you take a walk
Think I'm gonna take a sexual suicide Baby, if you only knew
All the love, want a love that's deep in my heart
Ooh baby, bein' here with you
Wouldn't be nothin' could tear us apart
Alright, uh, every night
Cool surrender, lost in your arms
You, you'll be surprised
Doin' it in the cuffs, sound your alarm
Baby, gonna take a walk
Think I'm gonna take a sexual suicide No body like my body, baby
Ain't no ride like my ride
Super skin in my car, baby
If you're drivin' me, then maybe
Sexual suicide Ain't it a shame
That you won't play the game
Got to much pride
You, you make your bed
But you got to see the sexual, sexual suicide
Suicide, sexual, sexual suicide
