

# Don't You Forget About Me

## Punk Goes 80's

They say love is just a game  
They say time can heal the pain  
Sometimes you win, sometimes you lose  
And I guess Im just a fool, I keep holding on to you I told you once you were the one  
You know that Id die for you  
Although it hurts to see you go  
Oh, this time you should know, I won't try to stop you Dont you forget about me, baby  
Dont you forget about me now  
Some day you'll turn around and ask me  
Why did I let you go? So you try to fake a smile  
You dont wanna break my heart  
I can see that you're afraid  
But baby its to late, coz Im already dying Dont you forget about me, baby  
Dont you forget about me now  
Some day you'll turn around and ask me  
Why did I let you go? Dont you forget about me, baby  
Dont you forget about me now  
Some day you'll turn around and ask me  
Why did I let you go?  
Why did I let you go? Dont you forget about me, baby  
No, dont you forget about me now  
Some day you'll turn around and ask me  
Why did I let you go?  
Why did I let you go? Wherever I go, I wont forget about you, no, no, no  
Wherever you go, dont you forget about me
