

Another One Bites the Dust

Queen

[Verse 1]

Steve walks warily down the street
With the brim pulled way down low
Ain't no sound but the sound of his feet
Machine guns ready to go
Are you ready? Hey are you ready for this?
Are you hanging on the edge of your seat?
Out of the doorway the bullets rip
To the sound of the beat Another one bites the dust
Another one bites the dust
And another one gone, and another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust [Verse 2]

How do you think I'm going to get along
Without you, when you're gone
You took me for everything that I had
And kicked me out on my own
Are you happy, are you satisfied?
How long can you stand the heat
Out of the doorway the bullets rip
To the sound of the beat Another one bites the dust
Another one bites the dust
And another one gone, and another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust [Instrumental Break] [Verse 3]

Another one bites the dust
Another one bites the dust
Another one bites the dust
Another one bites the dust
There are plenty of ways you can hurt a man
And bring him to the ground
You can beat him
You can cheat him
You can treat him bad and leave him
When he's down
But I'm ready, yes I'm ready for you
I'm standing on my own two feet

Out of the doorway the bullets rip
Repeating the sound of the beat
Another one bites the dust
Another one bites the dust
And another one gone, and another one gone
Another one bites the dust
Hey, I'm gonna get you too
Another one bites the dust
