I Believe

Timeflies

(Verse)
You come alive, you come alive
You come alive like a soul street soldiers
You try to find, you try to find
To find a line but you cross it over

(Verse)
Hold this thought
Donâ€™t let go
You try to hide, you try to hide
Before tonight can we just get closer

(Pre-Chorus)
You can take this heart and you can dial down that
You could play these cards or you could deal em right back
But why do we make this hard?
When it doesnâ€™t have to be
You become these stars so you can see where they go
You become whatâ€™s next, itâ€™s only me you donâ€™t know
And we can have nothing love
But as long as youâ€™re next to me

(Chorus)
I believe
I believe
I believe

(Verse)
You run away, you run away
You run away from a paranoia
But if you stay, but if you stay
Could you erase all the ways Iâ€™ve told ya?

(Pre-Chorus)
You can take this heart and you can dial down that
You could play these cards or you could deal em right back
But why do we make this hard?
When it doesnâ€™t have to be
You become these stars so you can see where they go
You become whatâ€™s next, itâ€™s only me you donâ€™t know

And we can have nothing love
But as long as youâ€™re next to me

(Chorus)
I believe
I believe
I believe

(Pre-Chorus)
You can take this heart and you can dial down that
You could play these cards or you could deal em right back
But why do we make this hard?
When it doesnâ€™t have to be
You become these stars so you can see where they go
You become whatâ€™s next, itâ€™s only me you donâ€™t know
And we can have nothing love
But as long as youâ€™re next to me

(Chorus)
I believe
I believe
I believe

But as long as youâ€™re next to me

(Chorus)
I believe
I believe
I believe

(Pre-Chorus)
You can take this heart and you can dial down that
You could play these cards or you could deal em right back
But why do we make this hard?
When it doesnâ€™t have to be
You become these stars so you can see where they go
You become whatâ€™s next, itâ€™s only me you donâ€™t know
And we can have nothing love
But as long as youâ€™re next to me
I believe
