

# Bring the Pain

## Missy Elliott

Basically, can't fuck with me I came to bring the pain hardcore from the brain  
Let's go inside my astral plane  
Find out my mental's based on instrumental  
Records hey so I can write monumental  
Methods, I'm not the King  
But niggas is decaf I stick 'em for the cream  
Check it just how deep can shit get  
Deep as the abyss and brothers is mad fish accept it  
In your Cross Color clothes you've crossed over  
Then got Totally Krossed Out and Kris Kross  
Who the boss? Niggas get tossed to the side  
And I'm the dark side of the Force  
Of course it's the Method, Man from the Wu-Tang Clan  
I be hectic, and coming for the head piece protect it  
Fuck it, two tears in a bucket, niggas want the ruckus  
Bustin' at me bruh, now bust it  
Styles, I gets buckwild  
Method Man on some shit, pulling niggas files  
I'm sick, insane, crazy, Drivin' Miss Daisy  
Out her fuckin' mind now I got mine I'm Swayze Is it real son, is it really real son  
Let me know it's real son, if it's really real  
Something I could feel son, load it up and kill one  
Want it raw deal son, if it's really real And when I was a lil' stereo (Stereo)  
I listened to some champion (Champion)  
I always wondered (Wondered)  
Will now I be the number one (Tical hahaha)  
Now you listen to the Gargon (Gargon)  
And the Gargon summary  
And any man dat come test me (Test me)  
Me gwanna lick out them brains (It's like that) Brothers want to hang with the Meth bring the rope  
The only way you hang is by the neck nigga poke  
Off the set comin' to your projects  
Take it as a threat, better yet it's a promise  
Comin' from a vet on some old Vietnam shit  
Nigga you can bet your bottom dollar hey I bomb shit  
And it's gonna get even worse word to God  
It's the Wu comin' through sickin niggaz for they garments  
Movin' on your left, southpaw em it's the Meth  
Came to represent and carve my name in your chest

You can come test realize you're no contest  
Son I'm the gun that won that old Wild West  
Quick on the draw with my hands on the four  
Nine three eleven with the rugged rhymes galore  
Check it cause I think not when this hip-hops like proper  
Rhymes be the proof while I'm drinkin' 90 proof  
Huh vodka, no OJ, no straw  
When you give it to me aiy, give it to me raw  
I've learned when you drink Absolut straight it burns  
Enough to give my chest hairs a perm  
I don't need a chemical blow to pull a hoe  
All I need is Chemical Bank to pay da mo'What, basically that, Meth-Tical, ninety-four style  
Word up we be hazardous  
Northern spicy brown mustard hoes  
We have to stick you's it real son, is it really real son  
Let me know it's real son, if it's really real  
Something I could feel son, load it up and kill one  
Want it raw deal son, if it's really real I'll fuckin', I'll fuckin' cut your kneecaps off  
And make you kneel in some staircase piss I'll fuckin', cut your eyelids off  
And feed you nuthin' but sleepin' pills You motherfuckers  
(So) So fuck the hoe  
Fuck the hoe (Look at this nigga, this motherfuckin')
