Our Love

Drake Bell

She came from the old North state
Land of the long leaf pine
She believes something simple, to find a better life
She's gonna search for hers, I'm gonna beg for minewaste no time, waste no timeOur love erases the scars and the lies
Our love will save us from terrible times
Our love is ready to change the world if we let it
Our love
Our love
Our love
YeahShe left her home for a while
To clear her mind from that place
I saw her leavin, chased her away
My heart was sleeping, hers wide awakeWaste no time, Waste no timeOur love erases the scars and the lies
Our love will save us from terrible times
Our love is ready to change the world if we let it
Our love
Our love
Our love
YeahHeartbeat
can you feel my
heartbeat?
can you feel my
heartbeat, I can feel itHeartbeat
Can you feel your
heartbeat?
I can feel itOur love erases the scars and the lies
Our love will save us from terrible times
Our love is ready to change the world if we let it
Our love will save us
Our love
Our love
Our love
Yeah
