

# Boom, Boom, Boom, Boom!! - Airplay

## Vengaboys

f you're alone and you need a friend  
Someone to make you forget your problems  
Just come along baby  
Take my hand  
I'll be your lover tonight  
whoaaa whoaaa  
This is what I wanna do  
whoaa whoaa  
Let's have some fun  
whoaa whoaa  
one on one just me and you

Boom boom boom  
I want you in my room  
we'll spend the night together  
From now until forever  
Boom boom boom boom  
I wanna go boom boom  
and spend the night together,  
Together in my room

Everybody get on down  
The Vengaboys are back in town  
This is what I wanna do  
whoaaa whoaa  
Let's have some fun  
whoaa whoaa  
one on one just me and you

Boom boom boom  
I want you in my room  
Let's spend the night together  
From now until forever

Boom boom boom  
I wanna go boom boom  
and spend the night together,  
Together in my room

Boom boom boom

I want you in my room  
Let's spend the night together  
From now until forever

Boom boom boom  
I wanna go boom boom  
and spend the night together,  
Together in my room  
Boom boom boom boom  
I want you in my room  
Let's spend the night together  
From now until forever
