

# Capital Radio Two

## The Clash

Yes, it's time for  
The Doctor Goebells  
ShowThere's a tower in the heart of London  
With a radio station right at the top  
They don't make the city beat  
They're making all the action stopA long time ago there were pirates  
Beaming waves from the sea  
But now all the stations are silenced  
'cos they ain't got a government license  
Wanna tell your problems?  
Phone in from your bedsit room  
Having trouble with your partner  
Let us all in on the newsIf you wanna hear a record  
Get the word from aiden day  
He picks all the hits to play  
To keep you in your place all day  
Capital radio  
Capital Radio  
Capital Radio  
in tune with nothing  
don't touch that dial
