Twanginâ€™ them Strings

Daniel Antopolsky

Oo-oo-oohoo-oo-oo-hoo-hoo-hoo
Thereâ€™s a funny station on the TV screen
People are re-runninâ€™ bad scenes, oh oh oh
People are re-stickinâ€™ them stings
People weâ€™re just, twanginâ€™ them strings
People weâ€™re just, people weâ€™re just, oh, not cominâ€™ clean, oohoo
People weâ€™re just, people weâ€™re just twanginâ€™ them strings, oohoo
Yeah thatâ€™s what youâ€™re doinâ€™, me too

Donâ€™t come shoppinâ€™ at my store
Nobody workinâ€™, here no more
Back on the farm, itâ€™s turnip greens
You turned me down, twanginâ€™ my string
People weâ€™re just, people weâ€™re just, oh not cominâ€™ clean, oohoo
People weâ€™re just, people weâ€™re just twanginâ€™ them strings, oohoo

When lightninâ€™ strikes, the bedbugs bite
Under the covers, the best lovers fight
Before the judge, I stole his jeans
Judge says, "Boy, you twanginâ€™ my string"
People weâ€™re just, people weâ€™re just, oh, not cominâ€™ clean, oohoo oohoo
People weâ€™re just, people weâ€™re just twanginâ€™ them strings

To get things right, gotta get things wrong
Gotta start out weak, â€˜fore you get strong
Rackinâ€™ our brains, plottinâ€™ them schemes
Struttinâ€™ our stuff, twanginâ€™ them strings
People weâ€™re not, people weâ€™re not, oh oh, cominâ€™ clean, oohoo
People weâ€™re just, people weâ€™re just twanginâ€™ them strings, huh huh

People weâ€™re just, oh people weâ€™re just, not cominâ€™ clean, oohoo
People weâ€™re just, oh people weâ€™re just, oohoo, twanginâ€™ them strings, yeah yeah
Oo-oo-oo-oohoo-oo-oo-oo-oooh
