

# Moonlight

Kenny G

What's goin on, down on the planet  
What's goin on, inside your pretty head  
What's life without a mercedes  
And the need to feel adrenaline rush Is it better than, moonlight on water  
Is it better than, a night on the beach  
Think about us riding wild horses  
Think about us it's not out of reach I'm here for you, no matter where you  
Go, no matter what you do  
I'm here for you, when there's a lonely  
Night who can you hold on to I'm here for you, want you in my arms uncomplicated  
I am, for you, I am, for you  
Who's gonna be, the competition  
Who's next in line, for promotion baby Everyday the real world is fading  
Spinning out on the wheel of fortune but  
Is it better than, moonlight on water  
Is it better than, a night at the beach Think about us riding wild horses  
Think about us, it's not out of reach babe  
I'm here for you, no matter where you  
Go, no matter what you do I'm here for you, when there's a lonely  
Night who can you hold on to  
I'm here for you, want you in my arms uncomplicated  
I am, for you, I am, for you You've been working so hard, don't you know it baby  
You don't understand what I want from you  
Instead of dreamin 'bout all that money  
We got much simpler things to do Moonlight on water  
A night on the beach  
Think about us riding wild horses  
Think about us, it's not out of reach babe I'm here for you, no matter where you go, no matter what you do  
I'm here for you, when there's a lonely night who can you hold on to  
I'm here for you, want you in my arms uncomplicated  
I am, for you, I am, but don't you worry 'bout the wrong things I'm here for you, no matter where you  
Go, no matter what you do  
I'm here for you, when there's a lonely  
Night who can you hold on to I'm here for you, want you in my arms uncomplicated  
I am, for you, I am, for you
