

# Ordinary Miracles (feat. Christopher Marlowe)

Nancy Lamott

Change can come on tip toes  
Love is where it starts  
It reside often hides deep in our heartsAnd just like pebbles make a mountain  
Raindrops make a sea  
One day at a time  
Change begins with you and meOrdinary miracles  
Happen all around  
Just by giving and receiving  
Comes belonging and believingEvery sun that rises  
Never knows before  
Each new day leads the way  
Through a different door  
And we can all be quiet heroes  
Living quiet days  
Walking through the world  
Changing it in quiet waysOrdinary miracles like candles in the dark  
Each and every one of us lights a spark  
And the walls can tumble  
And the mountains can move  
And the wind and tides can turn  
Ordinary miracles  
One for every star  
No lightning bolt or crash of thunder  
Only joy and quiet wonderEndless possibilities  
Right before our eyes  
See the way a miracle multiplies  
Hope can spring eternally  
Plant it and watch it growsLove is all that is necessary  
Love in its extraordinary way  
Makes ordinary miracles  
Every blessed day
