

# The Hard Way

[Michael Glines](#)

Funny thing about a mind  
Lookin' for that brighter side  
It's the only way that I can find  
To let my feelings hide  
But every now and then  
I falter back on old memories  
And I'm right back in love again  
And back down on my knees  
And I'm finding out the hard way  
There'll never be a time when I don't think about you  
And I'm finding out the hard way  
At least here in my mind, I won't go on without you  
All the times I reminisce  
I'm finally realizing this  
Until it's gone it can't be missed  
But I'm finding out the hard way  
Sure I'm gonna make it through  
The sun'll overtake the night again  
Then it's out of my mind with you  
And let another day back in  
And for a while I'll carry on  
But what you said is surely comin' true  
And although it might not last that long  
The times are not so few  
I'm finding out the hard way
