

We Take It Out

Stevie McCrorie

Please don't see just a boy caught up in dreams and fantasies

 Please see me reaching out for someone I can't see

 Take my hand, let's see where we wake up tomorrow

 Best laid plans; sometimes are just a one night stand

 I'll be damned; Cupid's demanding back his arrow

 So let's get drunk on our tears

And God, tell us the reason youth is wasted on the young

 It's hunting season and this lamb is on the run

 We're searching for meaning...

 But are we all lost stars trying to light up the dark?

Who are we? Just a speck of dust within the galaxy

 'Woe is me' if we're not careful turns into reality

 Don't you dare let our best memories bring you sorrow

 Yesterday I saw a lion kiss a deer

 Turn the page; maybe we'll find a brand new ending

 Where we're dancing in our tears

And God, tell us the reason youth is wasted on the young

 It's hunting season and this lamb is on the run

 We're searching for meaning...

 But are we all lost stars trying to light up the dark?

I thought I saw you out there crying...

 I thought I heard you call my name...

 I thought I heard you out there crying...

 But just the same...

And God, tell us the reason youth is wasted on the young

 It's hunting season and this lamb is on the run

 Searching for meaning...

 But are we all lost stars trying to light up the dark?

 Are we all lost stars trying to light up the dark?
