Just Seven

Devon Francis

Hmmmmmmmm, (yeah I miss you)
Oh I miss you (yeah I miss you).
Hmmmmmmmm,
Oh I miss you.

Seven days feel like years,
Cuz you're nowhere near.
Seven days full of rain.
You don't know how I feel,
and that's such a shame.

As I cry my tears alone,
So you don't have to cry.
Cuz if I cause a single tear,
I couldn't look myself in the eye.

(Chorus)
I'm not normally like this,
I'm not normally like this,
Seven days is nothing in forever.

x2

Seven days hiding in my heart,
cuz we're miles apart.
Seven days forcing a smile,
oh a week's not such a long long while.

As I cry my tears alone,
So you don't have to cry.
Cuz if I cause a single tear,
I couldn't look myself in the eye.

(Chorus)
I'm not normally like this,
I'm not normally like this,
Seven days is nothing in forever.

x2

Hmmmmmmmm,
Said I miss you baby,
Hmmmmmmmm,
Said I miss you...

I'm not normally like this,
I'm not normally like this,
Seven days is nothing in forever.

x4
