

Days to Come (OWSLA Official)

Seven Lions

We run, faces to the wind
It'll get easier
When you breathe it in
Fall, gently give in
Swallow in the air
And rain on skinHurts will come undone
All that will become
Rise and fall behind
Weightless in rewindI feel the shifting of you getting closer
My eyes wide open underneath the sun
Follow the feeling, but patiently waiting
I lose my fears to oblivionDays, I feel it,
Days, I feel it,
Quietly I keep you close to me
Quietly I feel you when I'm dreaming
Quietly I keep you close to me
Quietly I feel you when I'm dreaming
Quietly I keep you close to me
Quietly I feel you when I'm dreaming
Quietly I keep you close to me
Quietly I feel you when I'm dreaming
Follow the feeling, but patiently waiting
I lose my fears to oblivion
