

Hold Me

Brian McKnight

Hold me, love me
Givin' me all that you've got
Tell me, truly
Can I get in for a spot For so long I've waited for you
To come and love me
Don't waste my time 'cos I need you
To let me know if you want me to Do the things to you that no other can do
(I want you to love)
I want you bad and I won't lie
And I can't deny that I want you tonight Hold me, love me
Givin' me all that you've got
Tell me, truly
Can I get in for a spot I wonder what is it that turns me on
When I'm next to you
Can't figure out why I want you
Is it lust or love either one will do I want you for myself and nobody else
(Take the place of you)
Right now 'cos it is on
So unplug the phone
'Cos I want you to hold me Hold me, love me
Givin' me all that you've got
Tell me, truly
Can I get in for a spot
(Can I get into your spot baby)
(Can I get into your spot baby) Oh baby, you drive me crazy
Put your arms around me baby
And hold me now that's what I wanna do
(That's what I wanna do)
Right now baby I want you to hold me Hold me, Love me
Givin' me all that you've got
Tell me, truly
Can I get in for a spot
Can I get in for a spot
