## **Hold Me**

## **Brian McKnight**

Hold me, love me Givin' me all that you've got

Tell me, truly

Can I get in for a spotFor so long I've waited for you

To come and love me

Don't waste my time 'cos I need you

To let me know if you want me toDo the things to you that no other can do

(I want you to love)

I want you bad and I won't lie

And I can't deny that I want you tonightHold me, love me

Givin' me all that you've got

Tell me, truly

Can I get in for a spotI wonder what is it that turns me on

When I'm next to you

Can't figure out why I want you

Is it lust or love either one will doI want you for myself and nobody else

(Take the place of you)

Right now 'cos it is on

So unplug the phone

'Cos I want you to hold meHold me, love me

Givin' me all that you've got

Tell me, truly

Can I get in for a spot

(Can I get into your spot baby)

(Can I get into your spot baby)Oh baby, you drive me crazy

Put your arms around me baby

And hold me now that's what I wanna do

(That's what I wanna do)

Right now baby I want you to hold meHold me, Love me

Givin' me all that you've got

Tell me, truly

Can I get in for a spot

Can I get in for a spot
