

Hand Delivered

Lakefield

Youâ€™re lost across the sky /
My heart sinks at the sight /
Six weeks since youâ€™ve been gone /
Hold on to what weâ€™ve got /

Youâ€™re in my mind /
As time floats by /

Hand delivered, over, sign, and signature /
Post provision in design, this is all I've yearned /
Hand delivered, over, sign, and signature /
Mailed and lettered, time and flight, you will return /

Your plane lifts off the ground /
My heart drops at the sound /

Youâ€™re in my eyes /
As time crawls by /

Hand delivered, over, sign, and signature /
Post provision in design, this is all I've yearned /
Hand delivered, over, sign, and signature /
Mailed and lettered, time and flight, you will return /

Youâ€™re gone into the night /
My heart sinks at the sight
