

Song from an American Movie, Pt. 1

Everclear

The only thing that ever made sense to me
Is the world that I saw from an American movie
The only thing that ever made sense in my life
Ooh, is the sound of my little girl laughing Through the window of a summer night
I sit alone in the back yard wishing I could be inside
Just the sound of my little girl laughing
Makes me happy just to be alive Ooh, makes me happy just to be alive
Ooh, makes me happy just to be alive
Ooh, makes me happy just to be alive
