

All I Want

Kodamine

“you scared the shit out of me”
“you scared me”

All I want is nothing more to hear you knocking at my door
“cause if i could see your face once more
I could die as a happy man I’m sure

when you said your last goodbye
I died a little bit inside
I lay in tears in bed all night
alone without you by my side

but If you loved me
why did you leave me

take my body
take my body
all I want is
all I need is
to find somebody

ooooohhhh ohhh

“cause you brought out the best of me
a part of me I’d never seen
you took my soul wiped it clean
our love was made for movie screens

but If you loved me
why did you leave me
take my body
take my body
all I want is
all I need is
to find somebody

ooooohhhhhh
if you loved me
why did you leave me
take my body

take my body
all I want is
all I need is
to find somebody
to find somebody

like you
oooohhh
