

I Think It's Going to Rain Today

Bette Midler

Broken windows and empty hallways
A pale dead moon in a sky streaked with grey
Human kindness is overflowing
And I think it's gonna rain today Scarecrows dressed in the latest styles
The frozen smiles to chase love away
Human kindness is overflowing
And I think it's gonna rain today Lonely, lonely
Tin can at my feet
I think I'll kick it down the street
That's the way to treat a friend Bright before me the signs implore me
Help the needy and show them the way
Human kindness is overflowing
And I think it's gonna rain today Lonely, lonely
Tin can at my feet
I think I'll kick it down the street
That's the way to treat a friend Bright before me the signs implore me
Help the needy and show them the way
Human kindness is overflowing
And I think it's gonna rain today
