I.D.Y.S.M.

Enjoy

We knew each other well before
I seem to like you more and more
Iâ€™m over here youâ€™re over there
Itâ€™s alright

(Chorus)
I like you so much
Youâ€™re in my dreams, youâ€™re in my dreams
I like you so much
Thatâ€™s what it seems, thatâ€™s what it seems
I like you so much
Youâ€™re in my dreams youâ€™re in my dreams
I like you so much

You look so right , they look so wrong
So put the candle on and on
I want to see you everyday
I hope my thinking super way
Thatâ€™s alright

(Chorus)
I like you so much
Youâ€™re in my dreams, youâ€™re in my dreams
I like you so much
Thatâ€™s what it seems
I like you so much
Youâ€™re in my dreams, youâ€™re in my dreams
I like you so much
Thatâ€™s what it seems

We knew each other well before
I seem to like you more and more
Iâ€™m over here youâ€™re over there
Iâ€™m alright

I like you so much
Youâ€™re in my dreams, youâ€™re in my dreams
I like you so much
Thatâ€™s what it seems
I like you so much

Youâ€™re in my dreams, youâ€™re in my dreams
I like you so much
Thatâ€™s what it seems
