

# Hello

## BeyoncÃŽ

Oh!

Oh oh, oh oh oh oh.....

I love to see you walk into the room

Body shining lighting up the place

And when you talk, everybody stops

Cause they know you know just what to say

And the way that you protect your friends

Baby, I respect you for that

And when you grow, you take everyone you love along

I love that you don't fly me away

Don't need to buy a diamond key to unlock my heart

You shelter my soul

You're my fire when I'm cold

I want you to know

You had me at hello

Hello

Hello

You had me at hello

Hello

Hello

It was many years ago

Baby when you

Stole my cool

Cause you had me at hello

Hello

Hello, oh oh oh oh oh

I get so excited when you travel with me

Baby, while I'm on my grind

And never would I ever let my hustle

Come between me and my family time

You keep me humble out of this hype

Cause you know there's more to life

If I need you, you will be here

You will make the sacrifice

Don't fly me away

Don't need to buy a diamond key to unlock my heart

You shelter my soul

You're my fire when I'm cold  
Just want you to know

You had me at hello  
Hello  
Hello  
You had me at hello  
Hello  
Hello  
It was many years ago  
Baby when you  
Stole my cool  
Cause you had me at hello  
Hello  
Hello, oh oh oh oh oh

Gotta feel you and be near you  
You're the air that I breathe to survive  
Gotta hold you, wanna show you  
That without you my sun doesn't shine  
You don't have to try so hard for me to love you  
Boy, without you my life just ain't the same  
You don't have to try so hard for me to love you  
You had me at hello!

You had me at hello  
Hello  
Hello  
You had me at hello  
Hello  
Hello  
It was many years ago  
Baby when you  
Stole my cool  
Cause you had me at hello  
Hello  
Hello, oh oh oh oh oh  
It was many years ago  
Baby when you  
Stole my cool  
You had me at hello  
Hello  
Hello, oh oh oh oh oh.....
