

Friends

Justin Bieber & BloodPop®

[Intro]

BloodPop®[Verse 1]

I was wonderin' 'bout your mama

Did she get that job she wanted?

Sell that car that gave her problems?

I'm just curious 'bout her, honest (ooh-ooh)[Pre-Chorus]

Know you're wonderin' why I been callin'

Like I got ulterior motives

Know we didn't end this so good

But you know we had something so good

[Chorus]

So I'm wonderin'

Can we still be friends? (ah-ah)

Can we still be friends? (ah-ah)

Doesn't have to end (ah-ah)

And if it ends, can we be friends?

Can we be friends?

Can we be friends?[Verse 2]

Wonderin' if you got a body

To hold you tighter since I left (since I left)

Wonderin' if you think about me (uh-huh)

Actually, don't answer that (uh-huh)[Pre-Chorus]

Know you're wonderin' why I been callin'

Like I got ulterior motives

Know we didn't end this so good

But you know we had something so good

[Chorus]

So I'm wonderin'

Can we still be friends? (ah-ah)

Can we still be friends? (ah-ah)

Doesn't have to end (ah-ah)

And if it ends, can we be friends?

Can we be friends?

Can we be friends?

And if it ends, can we be friends?[Pre-Chorus]

Know you're wonderin' why I been callin'

Like I got ulterior motives

Know we didn't end this so good

But you know we had something so good[Chorus]

I'm wonderin'
Can we still be friends? (ah-ah)
Can we still be friends? (ah-ah)
Doesn't have to end (ah-ah)
And if it ends, can we be friends?
