

Buck 65

I don't know whats wrong with the youth of today
 wondering lost it's true what they say
 and who is to blame?
 T.V and magazines,
 they'd have you belive, everyday was halloween.
 why when I was a kid,
 playing in the ditches
 living in fear of satan and the witches
 the whole world was made of wood and smelled like gasoline
 the days were atleast twice as long
 and the grass was green.
 running for my life
 I was cursed by a talking snake
 I'd walk all day
 and throw rocks across a bottomless lake.
 there was a killer in the woods who would whistle
 once in a while I could hear him shoot his pistol
 and the other kids hated me...
 but like a martyr
 i drove my self harder and harder
 blood in my eyes.
 scrubing to get the dirt off
 didn't say much didn't like to take my shirt off
 was quick
 but I didn't know the meaning of pain yet
 I'd visit father Bob
 and he would show me his train set
 tell me a story, offer me a glass of milk
 send me on my way with a question to ask myself
 the rain didn't bother me
 the search had meaning
 church was good but I'd rather be dreaming
 high speed horse shoes harnneses and heavy string
 problem is today they've got an answer for everything4-6-3 an x an o and I can't think of a better way to end the
 day
 4-6-3 a yes a no and I can't think of a better way to end the day
 4-6-3 a punch a kick and I can't think of a better way to end the day
 4-6-3 it's life, death and I can't think of a better way to end the daylearn the words
 turnin' the double play

doing my damage in my own subtle way
I've been all over
I've seen to much
I no longer feel the need to rush
I'm upside down I'm inside out
broken glass all in my mouth
cut wide open and everybody knew why
'cause when it comes to rockin something fearce
mmmm do I 4-6-3 an x an o and I can't think of a better way to end the day
4-6-3 a yes a no and I can't think of a better way to end the day
4-6-3 a punch a kick and I can't think of a better way to end the day
4-6-3 it's life, death and I can't think of a better way to end the day
