Shooting My Mouth Off

James

Before you, no direction
Before I came on in
Before you let your doubts down
The walls were closing in
Were closing inAdore you, no protection
Ignore you, it can't be done
To make do, with a safer option
A breakthrough, two to one
Two to oneAnd I hope I'm not shooting my mouth off, again
And I pray I'm not tempting the fates
When I say we could go on forever
It's a date, it's a date(Here she comes)
Yes, I know that love can seem foolish
(Here she comes)
Like now
Yes I know that love hardly lasts
(Here she comes)(Here she comes)
And it's hard to receive that we're happy
(Here she comes)
Here's my heart
Here's my heartHere she comes
Here she comes
Here she comes
