She'll Remember

Dwight Yoakam

Another day
I spend alone
Here lately
I cry and moan
But she'll remember
Yea she'll remember

Early mornin's
I just suffer through Since feelin' empty's
What I'm bound to do
But she'll remember
Yea she'll remember

When every choice filled with regret Even though they haven't yet
Make her thoughts surrender
Then she'll remember

Late afternoon
I curl up tight To fight back tears I'll shed all night
But she'll remember
Yea she'll remember

Be no debatin' right or wrong
It's just a matter of how long
Those lies degend her
Then she'll remember

She'll try she'll try
But there won't be
No more escape
From her own lonely memories

Mine may be
The only scars that show
From every break
One heart could know
But she'll remember
Yea she'll remember

Once all that's left is what's been used

And any chance to hide from the truth
Keeps gettin' slimmer
Then she'll remember

So, one more day
I'll spend alone
Like every other
I cry and moan
But she'll remember
Yea she'll remember

The early mornin's
Late afternoons
Each empty night
I'm still sufferin' through
But she'll remember
Yea she'll remember

When every choice filled with regret
Even though they haven't yet
Make her thoughts surrender
Then she'll remember
