## Lil Menace

Damn girl, damn girl  
Damn girl, damn girl  
Damn girl, damn  
Damn girl, damn girl  
Damn girl, damn girl  
Damn girl, damn  
Listen to me  
I've been around the world, seen a million hunnies  
Really special girls, gave all my time and money  
But, there's something 'bout ya, something that's kinda funny  
Girl, it's what you do to me  
Don't need no Maybelline 'cause you're a beauty queen  
Don't need no L'oreal 'cause bitch you're bad as hell  
If I'm a Casanova? Then you're a Supernova  
Girl, it's what you do to me  
That's got me saying, damn girl, you're so fine  
The way you let me put it down, girl, blows my mind  
I guess I gotta put it down tonight  
I gotta put it down  
Damn  
Damn girl, damn girl  
Damn girl, damn girl  
Damn girl, damn  
Give me something  
Damn girl, damn girl  
Damn girl, damn girl  
Damn girl, damn  
I said there's something bout the way you do the things you do  
When you do the things you do, it' got me  
I said there's something bout the way you do the things you do  
When you do the things you do, its got me  
I said you don't need no Maybelline 'cause you a beauty queen  
Don't need no L'oreal 'cause bitch you're bad as hell  
If I'm a Casanova? Then you're a Supernova  
Girl, it's what you do to me  
It's got me saying, damn girl, you're so fine  
The way you let me put it down, girl, just blows my mind  
I guess I gotta put it down tonight  
I gotta put it down

Baby, give me some of your tasty  
Cinnamon give me some of your feminine gelatin  
'Cause got a cinnamon going crazy  
Hey, ba-ba-baby, baby  
You the one I've been feigning for  
When I'm dreaming I'm dreaming of you  
When you're gone I've been screaming for ya  
So why don't you be my chick and stuff  
Take you out to dinner and catch the funky stuff?  
If we spend time I'll never get enough  
You're so fine make a brother blush  
Got me looking like a black grape and stuff  
First time saying you had me gonna crush  
And if you ever give it to me, give it to me rough  
You got me saying, got me saying  
You got me saying, damn girl, you're so fine  
The way you let me put it down, girl, just blows my mind  
So now I guess I gotta put it down tonight  
I gotta put it down  
I'm saying, damn girl, you're so fine  
The way you let me put it down, girl, blows my mind baby  
I guess I gotta put it down tonight  
I gotta put it down  
I said there's something 'bout the way you do the things you do  
When you do the things you do, it's got me  
I said there's something 'bout the way you do the things you do  
When you do the things you do, it's got me  
Sing it with me, go, something 'bout the way you do the things you do  
When you do the things you do, it's got me  
Sing it for me, go, something 'bout the way you do the things you do  
When you do the things you do, it's got me  
Damn girl, damn girl  
Damn girl, damn girl  
Damn  
Damn girl, damn girl  
Damn girl, damn girl  
Damn girl, damn
