My Idea of Fun

Mansun

Day one, concentrate my energy
My victim's loser personality
Explain what it is that turns me on
Keep a wall to strip my little piggies onKeeping control while indulging in dualityThis is my idea of fun, I hope I'm not the only one
I'm having fun here, I hope I'm not the only oneDay two, I wake up in another bed
Next to a member of the cabinet
Day three, I pinned a note against his head
This death of a filthy fucking hypocriteKeeping control while indulging in banalityThis is my idea of fun, I hope I'm not the only one
I'm having fun here, I hope I'm not the only one
This is my idea of fun, I hope I'm not the only one
I'm having fun here, I hope I'm not the only oneDay four, why'd you keep seducing me?
Brainwashed from masculine deficiency
Day five, injecting supermarket food
No pain, it hurts who knows, you never knewPlaying it cool, breaking every single wrong tabooThis is my idea of fun, I hope I'm not the only one
I'm having fun here, I hope I'm not the only one
This is my idea of fun, I hope I'm not the only one
I'm having fun here, I hope I'm not the only oneDay six, I travel on the underground
Freak out, your mind will lie in Chinatown
Mayhem from Broxbourne to the Irish Sea
Aloud, the answer's welled with empathyKeeping control while indulging in dualityThis is my idea of fun, I hope I'm not the only one
I'm having fun here, I hope I'm not the only one
This is my idea of fun, I hope I'm not the only one
I'm having fun here, I hope I'm not the only one
