

# Close the Door Lightly When You Go

[Eric Andersen](#)

Turn around, don't whisper out my name  
For like a breeze, it'd stir a dying flame  
I'll miss someone, if it eases you to know  
But close the door lightly when you go Who was the one that stole my mind?  
Who was the one that robbed my time?  
Who was the one? Made me feel unkind  
So fare thee well, sweet love of mine Take your tears to someone else's eyes  
They're made of glass and they cut like wounding lies  
Memories are drifting like the snow  
So, close the door lightly when you go Who was the one that stole my mind?  
Who was the one that robbed my time?  
Who was the one? Made me feel unkind  
So fare thee well, sweet love of mine Don't look back to where you once had been  
Look straight ahead when you're walking through the rain  
And find a light, if the path gets dark and cold  
But close the door lightly when you go Who was the one that stole my mind?  
Who was the one that robbed my time?  
Who was the one? Made me feel unkind  
So fare thee well, sweet love of mine Turn around, don't whisper out my name  
For like a breeze, it'd stir a dying flame  
I'll miss someone, if it eases you to know  
But close the door lightly when you go  
Close the door lightly when you go  
Close the door lightly when you go
