

# Love Oh Love

## Max Romeo & The Hippy Boys

Love, oh, it's a feeling you can't resist  
Make you feel like doing things you don't want to do  
Love, oh, it's like candy on your shelf  
Feels it deep within yourself when you are in love  
Yeah, love, true love Love, oh love, it's like candy on a shelf  
Feels it deep within yourself when you are in love  
Love, oh, it's a feeling you can't resist  
Make you feel like doing things you don't want to do  
Yeah, love, true love
