Listen Joe

Golden Smog

I touched your face, you were still warm
I took my place beside your phone
Swaying like an orphan in the breeze
Brought me to my kneesYeah, to knock my eyesSurprise, surprise, everyone dies
Cried and cried, you're bein' a baby
Nobody knows where we go
Listen Joe Little, drive you crazyAnd no matter where you go
And no matter what is true
I will always think of you
I will always think of youTrue were my plans, makes no mistakes
Packed up my bags, felt no embrace
Never found a reason I should stay
Just tell me what to sayLaughing at your livesSurprise, surprise, everyone dies
Cried and cried, you're bein' a baby
Nobody cares where you go
Listen Joe Little, drive you crazyAnd no matter where you go
And no matter what is true
I will always think of you
I will always think of you
